Dear Dr. Fairbanks:

Re: Fairbanks Home
Pioneer Trail State Park

Enclosed is a donation letter that must be signed before the State can move the Fairbanks home in Payson to the park. Our architect is completing his drawings, and the project will be announced for bid about April 1. In order to prevent any delays in our development, I would appreciate it if you could sign the letter and mail it back immediately.

I would also like to meet with the family as soon as possible regarding the furnishings so that our curator can organize and plan the furnishing layout.

The Division appreciates your interest in the old home and in the development of the park. I will be looking forward to the signed donation letter at your earliest convenience.

Sincerely yours,

Michael E. Christensen
